

## Eight Sided Applicator

### ■ Introduction:

The applicator is made of high grade stainless steel and is easy to clean. Eight gaps in one applicator makes it meet various demands.

### ■ Order info:

Model	Film width(mm)	Gap( $\mu\text{m}$ )
BEVS 1817/1	60	25/50/75/100/125/150/175/200
